## Additional Points of Interest

### The Language Lab

An important asset of the department is the Language Lab with its 27 Macs, zone-free Blu-ray player and document camera. It also has a VIA Connect PRO which is a wireless collaboration and presentation solution that makes sharing and presenting easier for all computers in the room. The lab provides support for learning activities outside and inside the classroom, ranging from grammar drills to research and collaborative writing projects, as well as discussions of authentic materials published on the Internet. The area is designed not only for individualized instruction but also for group work and small seminars that use a variety of digital materials for class discussion.

### General Department Regulations

Students planning to major in the department are advised to begin course work in the first year. Those who wish to fulfill the basic requirement in language by continuing one begun in secondary school will find it advantageous to begin their course work in the first year. Whether

students satisfy the language requirement by continuing with their secondary-school language or by taking up a new language, the Department of Modern Languages strongly recommends that students complete their language requirement by the end of their sophomore year.

### Cultural Enrichment

Each semester the department offers students exceptional opportunities for cultural enrichment in language study. These opportunities include, for example, off-campus trips to target-culture plays, movies and performances, as well as campus visits by native scholars and performers. In that way, experiences in target cultures become more readily available to our students. These opportunities are made possible through a most generous endowment bestowed on the Department of Modern Languages by the Patty Foresman Fund. The department maintains a Modern Languages Facebook page where Denison community members can view upcoming events.

### The Foresman Lounge

Located in the central hub of the department, the lounge provides the Denison community with a space for a wide range of activities such as receptions, classes, and informal gatherings. This area has a kitchenette with a table and chairs for sharing lunch or a coffee with our faculty as well as mobile soft seating for easy reconfiguration of the space. It is also equipped with a wide range of technological devices to enrich our students' learning experiences. This room has a 52-inch flat screen TV connected to a webcam, zone-free Blu-ray player and a document camera. The lounge also has a ceiling-mounted laser projector that connects to a networked Mac computer, the Blu-ray player and a VIA for wireless connection to the data projector.
