

PHILOSOPHY, POLITICS AND ECONOMICS

Program Guidelines

The PPE Program enables students to pursue a rigorous course of study that explores significant historical, methodological, and theoretical interconnections between philosophy, politics, and economics. It is designed to help students understand the theoretical and normative foundations of political and economic analysis.

The PPE Program is overseen by the PPE Committee, made up of one faculty member from each of the PPE departments. Each PPE major must choose a member of the PPE Committee to serve as their PPE Major Advisor. The PPE Committee (as a whole) must approve the individual Course of Study Proposal of each PPE student. Students who are interested in pursuing a major in PPE should contact a member of the PPE Committee shortly after they arrive on campus.
