REL 101	Introduction to Theology
WGST 101	Issues in Feminism
WGST 311	Feminist Theory
WGST 323	Transgender Studies/Transgender Issues

Queer Studies Concentration

The Queer Studies concentration requires a total of six courses. Three of these are core requirements, and three are electives that typically are offered by other programs or departments and are cross-listed with Queer Studies.

Core Requirements

The required core courses are:

- QS 101 - Introduction to Queer Studies
- QS 227 - Queer Theory
- QS 400 - Senior Seminar

Electives

The Queer Studies concentration requires students to complete three elective courses from among those approved by the Queer Studies Committee based on the following criteria, or through petition to the Committee:

At least two-thirds of the course should focus on: some aspect of gay, lesbian, bisexual, transgender experience, culture, and history; and/or relevant issues or themes (privilege, oppression, sexual behavior, identity, performance, social movements, etc.); and/or conceptual categories (gender, sexuality, etc.) central to the field of Queer Studies.

Any course in the concentration should address the relationship between the normative and the transgressive. Through these courses students should gain an understanding of, and respect for, differences in human identity such as age, ability, class, ethnicity, gender, gender identity, sexuality, race, and religion. Courses that already meet the criteria for Queer Studies electives, or that can be readily adapted to meet the above criteria through negotiations between instructor and student, include (but are not limited to) the following:
